

Basic Furniture Painting Course

with Penelope (Polly) Dale

This hands-on course covers the basic techniques involved in painting furniture. Learn how to prepare your pieces, tricks of the trade with application and experiment with different products to produce different looks including Milk Paint, acrylics and Duchess Satin. The techniques covered include Stripping, Antiquing, Distressing, and French Provincial.

Penelope Dale has had more than 7 years experience in the decorative painting field. Penelope studied at the famous Isabel O'Neil Studio Workshop in New York then perfected her techniques at the exclusive Van der Kelen Institute of Superior Painting in Brussels where she was awarded a silver medal with distinction.

Penelope decorated in France and Belgium before returning to Sydney to start her own business and collaborates with many leading eastern Sydney decorators working on historical buildings and well-known homes.

Each student will be required to bring one piece of furniture, which may be previously painted or in the natural form of raw timber; the piece of furniture must not be waxed.
